GOVERNOR MIFFLIN HOSTS DRUG AWARENESS PRESENTATION

SHILLINGTON, PA, JANUARY 2012 - On Wednesday, February 22, at 7 p.m. the Governor Mifflin Safe Schools Department will host a one-hour program on drug awareness. The presentation will take place in the Governor Mifflin High School auditorium and is open to families and friends of Governor Mifflin students.

Representatives from the Berks County District Attorney's office and Juvenile Probation office will present important information regarding local trends, drug use detection, and legal ramifications of drug use by minors. A question and answer period will follow the presentation.

This presentation is the second in a series of Safe Schools parent programs scheduled for the 2011-2012 school year. Earlier this fall, the district held an evening presentation on cyber bullying. The district encourages all parents and guardians to attend these special events and learn about how to keep children safe and healthy.

The media is welcome to report on the drug awareness presentation being held in February. To schedule a visit or interview, please contact Keri Morton at 610-775-1312 or kmorton@gmsd.k12.pa.us.
