

2010-2011 GOVERNOR MIFFLIN

MUSIC ASSOCIATION

Be a Part of the Mifflin Music Team!

The Governor Mifflin Music Association is a non-profit organization that supports the Governor Mifflin School District's music programs for all students, K -12. Our goal is to ensure our music program continues to be one of the nation's best. To support this effort, we encourage the families of all GM music students to become active members of GMMA. GMMA provides both financial support and volunteer manpower to the music programs in all Mifflin schools. Our contributions to programs exceed \$20,000 annually. These funds are used to purchase instruments, staging, uniforms, equipment, and more.

Thank you,
The Membership Committee
