You do not need to be a member of the PSPTA in order to participate in our events, but we encourage you to join and make use of the benefits of membership! Simply complete the membership application below to enjoy discounted admission prices, parent enrichment programs, and the opportunity to support all of the PSPTA's activities for the young children in our community. You may mail the application to the address listed on the form, or drop it off at any elementary school. Memberships are also accepted at any of our events. Your small membership fee helps us to continue providing excellent programs for preschoolers and their families.
