

GOVERNOR MIFFLIN
GOLD
The GOLD standard in learning.

“This is a great program that offers student and parents flexibility for learning while encouraging independence and self-discipline.”

Supportive, Dynamic and Quality-Focused – an Online Learning Program to Meet Your Needs

The **Governor Mifflin School District** has been educating students effectively for many years and knows what it takes for students to compete in the hyper-competitive quest for college and career whether learning in the conventional classroom or online. It takes rigorous coursework coupled with a combination of live and prepared instructional support.

Our online learning program is flexible and offers all the support parents and students need to tackle the demands of online learning to achieve their educational goals. We expect the best from our students; that's why we offer effective support to promote their success.

UNIQUE OPPORTUNITIES

What Parents Say About District-Supported Online Learning Programs:

“The online program let my daughter focus more.”

“My daughter was able to continue her education around her doctor appointments and work.”

“This was a great way for us to see if our son was ready for college... he also was able to have a part time job to make money for college.”

“This program really worked out for our son as he had anxiety problems.”

“If this program was not available to our daughter I think she may not have graduated this year.”

Your child’s education is the key to their future. Contact us today to learn more about our supportive and inclusive online learning program.
