Governor Mifflin seniors start a new “senior walk” tradition

Who: Governor Mifflin High School seniors and elementary students

What: In a mix of nostalgia and inspiration, members of Governor Mifflin’s Class of 2018 will process through the elementary schools as part of Governor Mifflin’s first Senior Walk. Seniors will divide into groups and don caps and gowns as they visit all four of the Governor Mifflin elementary schools. Seniors who attended a specific elementary school will be among those to walk through that specific building. Elementary students will line the hallways to greet their senior Mustangs as the soon-to-be graduates celebrate their final day on campus before Commencement on June 1.

There are sure to be plenty of photo opportunities during this event. Members of the media are encouraged to arrive early. Please call to confirm which building you would like to visit.

When: Wednesday, May 30

Schedule: 10:30 a.m. – seniors will walk through Governor Mifflin Intermediate School (a portion of the seniors will depart for Brecknock Elementary at this time)

10:45 a.m. – seniors to walk through Cumru and Mifflin Park Elementary Schools

10:45 a.m. - bus will arrive at Brecknock for walk through

-END-
