

**GOVERNOR MIFFLIN ATHLETICS**  
**PIAA COMPREHENSIVE INITIAL PRE-PARTICIPATION**  
**PHYSICAL EVALUATION (CIPPE) FORM**

Prior to any student (Grades 7 – 12) participating in school sponsored practices, inter-school practices, scrimmages, and/or contests; the student is required to complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE). This physical evaluation must be **performed and signed by an authorized medical examiner.**

**Instructions:**

- A parent/guardian must complete Sections 1 (insurance information is required by school policy) and 2
- A parent/guardian along with the student-athlete must complete and sign where indicated on Section 3, 4 and 5 as well as answer all questions.
- CIPPE (Section 6) must be **performed and signed by an authorized medical examiner. Authorized medical examiners are limited to a licensed medical doctor or doctor of osteopathic medicine, physician's assistant, school nurse practitioner, or certified nurse practitioner.**
- Only one CIPPE is needed per school year. The CIPPE must be authorized within the PIAA established dates for said school year. For example, a student playing a sport during the 2018-2019 school year needs to have CIPPE certified **as of or after June 1, 2018.** The physical would be valid for the entire 2018-2019 school year until May 31, 2019. Except for fall sports, **pre participation physicals must be authorized within six weeks** prior to the start of the season. Physicals authorized beyond six weeks will need to be recertified.
- **Recertification** – Athletes playing multiple sports in a school year or who have had their initial CIPPE prior to six weeks to the start of the season will need to have their original physical recertified for those sports. Parents/guardians will need to complete a **CIPPE recertification form** (Section 7) and turn it in to the Athletic office or the Athletic Training Office within six weeks prior to the start of the season. In accordance with PIAA guidelines, the athletic training staff will evaluate and recertify eligible physicals. There will be instances (e.g. injury, illness or change in health status) that the athlete may need to be referred to and recertified by a physician (Section 8).
- Governor Mifflin School District will offer at least two physicals per school year. If the athlete cannot attend the school physicals, then the athlete and parent/guardian must make their own arrangements for a physical at their expense.
- **Please submit all CIPPE forms and Recertification forms to the High School Athletic Office or the Athletic Trainer.**
- **Assumption of Risk:** I acknowledge there is a risk of injury within athletics and that these injuries can serious/catastrophic resulting in permanent disability or even death.
- **HIPPA/FERPA:** I grant permission for medical personnel, at their discretion, to release my child's school health record and medical information, including but not limited to information from the health history, physical evaluation as well as any records in regards to the treatment/evaluation of an injury/illness to those deemed necessary by the medical personnel.
- **Consent to treat:** I grant permission to provide emergency medical care and athletic training services to my child. Furthermore these services maybe provided by host schools while my child is participating at neutral site and/or away events.
- **IMPACT test or a test similar in nature will be administered at the athletic department's discretion.**

Questions or concerns can be directed to:

J Greene M.S. LAT, ATC  
Head Athletic Trainer  
Governor Mifflin School District  
610 775-9456

Tara Ludwig LAT, ATC  
Assistant Athletic Trainer  
Governor Mifflin School District

**Student Athlete Name:** \_\_\_\_\_ **Grade:** \_\_\_\_\_ **Gender:** \_\_\_\_\_ **First Sport:** \_\_\_\_\_

**Student Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Parent/Gaurdian Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**PIAA COMPREHENSIVE INITIAL  
PRE-PARTICIPATION PHYSICAL EVALUATION**

**INITIAL EVALUATION:** Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the first six Sections of the CIPPE Form. Upon completion of Sections 1 and 2 by the parent/guardian; Sections 3, 4, and 5 by the student and parent/guardian; and Section 6 by an Authorized Medical Examiner (AME), those Sections must be turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be authorized earlier than June 1<sup>st</sup> and shall be effective, regardless of when performed during a school year, until the latter of the next May 31<sup>st</sup> or the conclusion of the spring sports season.

**SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR:** Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 7 of this form and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 8 need be completed.

**SECTION 1: PERSONAL AND EMERGENCY INFORMATION**

**PERSONAL INFORMATION**

Student's Name \_\_\_\_\_ Male/Female (circle one)

**SECTION 2: CERTIFICATION OF PARENT/GUARDIAN**

The student's parent/guardian must complete all parts of this form.

A. I hereby give my consent for \_\_\_\_\_ born on \_\_\_\_\_ who turned \_\_\_\_\_ on his/her last birthday, a student of \_\_\_\_\_ School and a resident of the \_\_\_\_\_ public school district, to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests during the 20\_\_\_\_ - 20\_\_\_\_ school year in the sport(s) as indicated by my signature(s) following the name of the said sport(s) approved below.

Fall Sports	Signature of Parent or Guardian
Cross Country	
Field Hockey	
Football	
Golf	
Soccer	
Girls' Tennis	
Girls' Volleyball	
Water Polo	
Other	

Winter Sports	Signature of Parent or Guardian
Basketball	
Bowling	
Competitive Spirit Squad	
Girls' Gymnastics	
Rifle	
Swimming and Diving	
Track & Field (Indoor)	
Wrestling	
Other	

Spring Sports	Signature of Parent or Guardian
Baseball	
Boys' Lacrosse	
Girls' Lacrosse	
Softball	
Boys' Tennis	
Track & Field (Outdoor)	
Boys' Volleyball	
Other	

B. **Understanding of eligibility rules:** I hereby acknowledge that I am familiar with the requirements of PIAA concerning the eligibility of students at PIAA member schools to participate in Inter-School Practices, Scrimmages, and/or Contests involving PIAA member schools. Such requirements, which are posted on the PIAA Web site at [www.piaa.org](http://www.piaa.org), include, but are not necessarily limited to age, amateur status, school attendance, health, transfer from one school to another, season and out-of-season rules and regulations, semesters of attendance, seasons of sports participation, and academic performance.

Parent's/Guardian's Signature \_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_

C. **Disclosure of records needed to determine eligibility:** To enable PIAA to determine whether the herein named student is eligible to participate in interscholastic athletics involving PIAA member schools, I hereby consent to the release to PIAA of any and all portions of school record files, beginning with the seventh grade, of the herein named student specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s) or guardian(s), residence address of the student, health records, academic work completed, grades received, and attendance data.

Parent's/Guardian's Signature \_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_

D. **Permission to use name, likeness, and athletic information:** I consent to PIAA's use of the herein named student's name, likeness, and athletically related information in video broadcasts and re-broadcasts, webcasts and reports of Inter-School Practices, Scrimmages, and/or Contests, promotional literature of the Association, and other materials and releases related to interscholastic athletics.

Parent's/Guardian's Signature \_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_

E. **Permission to administer emergency medical care:** I consent for an emergency medical care provider to administer any emergency medical care deemed advisable to the welfare of the herein named student while the student is practicing for or participating in Inter-School Practices, Scrimmages, and/or Contests. Further, this authorization permits, if reasonable efforts to contact me have been unsuccessful, physicians to hospitalize, secure appropriate consultation, to order injections, anesthesia (local, general, or both) or surgery for the herein named student. I hereby agree to pay for physicians' and/or surgeons' fees, hospital charges, and related expenses for such emergency medical care. I further give permission to the school's athletic administration, coaches and medical staff to consult with the Authorized Medical Professional who executes Section 6 regarding a medical condition or injury to the herein named student.

Parent's/Guardian's Signature \_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_

F. **CONFIDENTIALITY:** The information on this CIPPE shall be treated as confidential by school personnel. It may be used by the school's athletic administration, coaches and medical staff to determine athletic eligibility, to identify medical conditions and injuries, and to promote safety and injury prevention. In the event of an emergency, the information contained in this CIPPE may be shared with emergency medical personnel. Information about an injury or medical condition will not be shared with the public or media without written consent of the parent(s) or guardian(s).

Parent's/Guardian's Signature \_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_

### SECTION 3: UNDERSTANDING OF RISK OF CONCUSSION AND TRAUMATIC BRAIN INJURY

#### What is a concussion?

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head or body.
- Can change the way a student's brain normally works.
- Can occur during Practices and/or Contests in any sport.
- Can happen even if a student has not lost consciousness.
- Can be serious even if a student has just been "dinged" or "had their bell rung."

All concussions are serious. A concussion can affect a student's ability to do schoolwork and other activities (such as playing video games, working on a computer, studying, driving, or exercising). Most students with a concussion get better, but it is important to give the concussed student's brain time to heal.

#### What are the symptoms of a concussion?

Concussions cannot be seen; however, in a potentially concussed student, **one or more** of the symptoms listed below may become apparent and/or that the student "doesn't feel right" soon after, a few days after, or even weeks after the injury.

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light or noise
- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion

#### What should students do if they believe that they or someone else may have a concussion?

- **Students feeling any of the symptoms set forth above should immediately tell their Coach and their parents.** Also, if they notice any teammate evidencing such symptoms, they should immediately tell their Coach.
- **The student should be evaluated.** A licensed physician of medicine or osteopathic medicine (MD or DO), sufficiently familiar with current concussion management, should examine the student, determine whether the student has a concussion, and determine when the student is cleared to return to participate in interscholastic athletics.
- **Concussed students should give themselves time to get better.** If a student has sustained a concussion, the student's brain needs time to heal. While a concussed student's brain is still healing, that student is much more likely to have another concussion. Repeat concussions can increase the time it takes for an already concussed student to recover and may cause more damage to that student's brain. Such damage can have long term consequences. It is important that a concussed student rest and not return to play until the student receives permission from an MD or DO, sufficiently familiar with current concussion management, that the student is symptom-free.

**How can students prevent a concussion?** Every sport is different, but there are steps students can take to protect themselves.

- Use the proper sports equipment, including personal protective equipment. For equipment to properly protect a student, it must be:
  - The right equipment for the sport, position, or activity;
  - Worn correctly and the correct size and fit; and
  - Used every time the student Practices and/or competes.
- Follow the Coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.

**If a student believes they may have a concussion:** Don't hide it. Report it. Take time to recover.

I hereby acknowledge that I am familiar with the nature and risk of concussion and traumatic brain injury while participating in interscholastic athletics, including the risks associated with continuing to compete after a concussion or traumatic brain injury.

Student's Signature \_\_\_\_\_ Date \_\_\_\_/\_\_\_\_/\_\_\_\_

I hereby acknowledge that I am familiar with the nature and risk of concussion and traumatic brain injury while participating in interscholastic athletics, including the risks associated with continuing to compete after a concussion or traumatic brain injury.

## SECTION 4: UNDERSTANDING OF SUDDEN CARDIAC ARREST SYMPTOMS AND WARNING SIGNS

### What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens blood stops flowing to the brain and other vital organs. SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

### How common is sudden cardiac arrest in the United States?

There are about 300,000 cardiac arrests outside hospitals each year. About 2,000 patients under 25 die of SCA each year.

### Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as:

- dizziness
- lightheadedness
- shortness of breath
- difficulty breathing
- racing or fluttering heartbeat (palpitations)
- syncope (fainting)
- fatigue (extreme tiredness)
- weakness
- nausea
- vomiting
- chest pains

These symptoms can be unclear and confusing in athletes. Often, people confuse these warning signs with physical exhaustion. SCA can be prevented if the underlying causes can be diagnosed and treated.

### What are the risks of practicing or playing after experiencing these symptoms?

There are risks associated with continuing to practice or play after experiencing these symptoms. When the heart stops, so does the blood that flows to the brain and other vital organs. Death or permanent brain damage can occur in just a few minutes. Most people who have SCA die from it.

### Act 59 – the Sudden Cardiac Arrest Prevention Act (the Act)

The Act is intended to keep student-athletes safe while practicing or playing. The requirements of the Act are:

*Information about SCA symptoms and warning signs.*

- Every student-athlete and their parent or guardian must read and sign this form. It must be returned to the school before participation in any athletic activity. A new form must be signed and returned each school year.
- Schools may *also* hold informational meetings. The meetings can occur before each athletic season. Meetings may include student-athletes, parents, coaches and school officials. Schools may also want to include doctors, nurses, and athletic trainers.

*Removal from play/return to play*

- Any student-athlete who has signs or symptoms of SCA must be removed from play. The symptoms can happen before, during, or after activity. Play includes all athletic activity.
- Before returning to play, the athlete must be evaluated. Clearance to return to play must be in writing. The evaluation must be performed by a licensed physician, certified registered nurse practitioner, or cardiologist (heart doctor). The licensed physician or certified registered nurse practitioner may consult any other licensed or certified medical professionals.

I have reviewed and understand the symptoms and warning signs of SCA.
