

# Dodgeball For Life

## 11th Annual Governor Mifflin Dodgeball Tournament

Dear Business Owner / Sponsor,

Thank you for your interest in sponsoring our annual fundraising event. We are conducting our 11<sup>th</sup> annual Governor Mifflin Dodgeball Tournament. All proceeds of this tournament will support a Relay for Life team benefitting *The American Cancer Society* and Governor Mifflin Middle School's Mini-Thon. Our tournament will take place at the Governor Mifflin Intermediate School gymnasium Saturday, February 23<sup>rd</sup>, 2019.

The objective of this event is to raise as much money as possible for the *American Cancer Society* and the Governor Mifflin Middle School's Mini-Thon. We want to give our students a fun filled event. Each competing team is encouraged to seek out friends and family who are willing to donate some money to these causes and also help pay for their minimum \$100 team entry fee. Our students are very giving and thoughtful and asked if it would be possible to approach businesses in the local area. We thought it would be a great idea and beneficial to involve the local businesses and ask for their support. Any business who donates to our "Dodgeball for Life" tournament will receive a receipt for tax purposes as well as a "thank you" in our program distributed to friends and families at the event. The sponsorship form is attached to this letter. When your business is ready to become a sponsor, please fill in the sponsorship form and return the form and check with the student or addressed to "Attn: Joanne Marshall, GMMS, 130 E Lancaster Ave, Shillington, PA 19607." This is a great opportunity to have your business acknowledged in our community and school.

If your business would like to donate either a raffle basket OR concession stand items instead of making a financial contribution, we would be happy to accept those items as well. Please reach out to Joanne Marshall by the end of January with these donations.

Everyone at the Governor Mifflin school district would like to thank you for your interest and desire to help support our special event, the *American Cancer Society*, and Governor Mifflin Middle School's *Mini-Thon*. If you have any questions please feel free to contact me.

Joanne Marshall (*Relay for Life* team member and GMMS staff member)
