Note: For a facility shared by multiple teams, calculate per team cost by dividing total facility expenditures by number of teams using facility or by using the percentage of time used by each team.

The image shows a small screenshot of a software interface, likely a data management or reporting tool. It features a table with multiple columns and rows. The table is divided into two main sections by a vertical line. The left section has a header row with several columns, and the right section also has a header row. The data rows contain various numerical and text values. The interface has a blue header bar at the top and a light-colored background for the table area.
